

## **b) Beanbag Drop and Scoop**

- The child at the front of each line picks the beanbag up with non-dominant hand and places the beanbag on the bas of the hurley
- On the whistle, the child runs to the end of the lane and slides the beanbag off the hurley on to a marker
- The child then runs backwards to halfway back the lane and stops
- They then run forward again and scoop up the beanbag with the non-dominant/"catching hand" underhand
- The child turns around, places the beanbag back on the bas of the hurley and
- runs back to the beginning
- The child hands it over to the next child at the top of the line
- Repeat until each child has three turns

### ***Teaching Points***

- With the 'hurley hand', each child grips hurley, pressing the thumb on the handle
- Point the hurley forward and the 'toe' of the hurley facing away from the body to the dominant side
- Keep the bas of the hurley flat
- Place the beanbag on the 'bas' of the hurley, keeping eyes on it
