This is a intermediate drill to practice the Hand Pass technique that requires the players to catch and pass in different directions

## Organisation

- Divide the players into groups of three; each group forming a triangle
- Two players act as feeders, with one ball each; the third player is the central player
- The central player must take and return a pass from each player in turn for a set period of time
- Reverse the roles, giving each player the chance to be the central player

## STEP Variation

Task - To increase the challenge; the feeders pass the ball as the central player returns the previous pass
