

# GAA Match Official Equipment Suppliers

**GAA REFEREES KIT**

**OFFICIAL MERCHANDISE**

## GAA Match Official Equipment Suppliers

A Chara,

Please find a list of all the suppliers currently used by the Match Officials Department in Croke Park which you might find useful for your referees and for the running of your games.

We would like to remind you that all counties are required to provide fully operational Electronic Flags, Substitution Boards, and radios for Inter-County Games. We would ask you to please ensure that all equipment is fully operational before the start of the 2024 Season.

Dónal Smyth

Bainisteoir Náisiúnta Oifigh na gCluichí

## Referee Watch

The **Spintso S1 Referee's Watch** has four time functions that automatically work together in one system:

1. Count Up (Doesn't Stop)
2. Count Down (Stops when stopped for injury etc)
3. Additional Time (Starts when Count Down is stopped)
4. Interval time (Starts automatically when time is elapsed)

The watch will vibrate every 10 seconds when the clock is stopped to remind the referee to start again.
