

GAA Learning Portal Registration:

The following is a list of instructions on how to register and access the online modules for a course on www.learning.gaa.ie:

1. Register on learning.gaa.ie by clicking on 'Register' in the top left hand corner.
2. Users will be first asked to input their age in order for the site to comply with legislation around the Digital age of consent. A user under the age of 16 is considered to be digital minor and therefore needs the consent of a parent or guardian to create an account on the site.
