

# IT'S ACCOUNTING MADE EASY

Whether you're a small or large club, Yendo makes doing your bookkeeping & accounting easy.

Flexibility and accessibility is why Yendo works for GAA clubs.

Yendo helps you organise all your management & financial information in one place. Access your accounts anytime, anywhere from your iPhone or laptop. Add multiple users, keep in sync, stay connected and be informed with Yendo's real time reporting.

## ANYTIME ACCESS

Share accounts with your finance committee online through laptops, smartphones or tablets.

## SIGNIFICANT FEATURES INCLUDE:

**Full Double-Entry Bookkeeping:** Yendo Accounts provides all the features you need to manage business accounts including invoicing, income & expenditure, balance sheet, trial balance and nominal ledger.

**Unlimited Users:** Every member of your management team can have their own login.

**Multiple Businesses:** Use Yendo to manage all the different activities of your club. Shops, bars and other commercial activities can each have their own accounts.

**Real-Time Reporting:** Trading reports are updated in real-time as new information is entered.

**No Setup:** Yendo Accounts is all online. There's nothing to install or setup. We provide free updates and backups.

## MORE INSIGHT, LESS EFFORT:

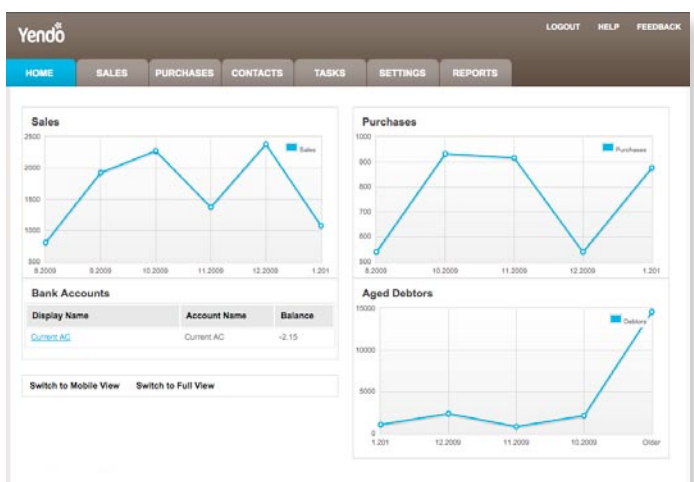

**Easy Invoicing:** Manage your invoicing when it suits you. Export to PDF or send to your customers/members by email.

**Efficient Expenses:** No more saving receipts for your accountant. Record your expenses in one easy place.

**Keep on top of Cashflow:** Chart your cashflow on a daily basis. Predict future highs and lows.

**Monitor Sales:** Track sales every month, breakdown into individual customers/members and products.

**Professional Reporting:** Export custom management reports to PDF. Include the information you want in the format you want.
