From Biological and Psychological, to Social and 'Spiritual' values, LCPE.ie build upon a foundation of 'Wellbeing and Lifelong Learning'.

These core values are essential for effectively learning about Physical Education and Sports Participation, and should therefore be integrated into each learning outcome, helping the Learner to 'Think/Feel, Do and Become' all that they can be.

INTRODUCING LCPE.IE

BETA VERSION

A DEDICATED ONLINE RESOURCE FOR LEAVING CERTIFICATE PHYSICAL EDUCATION

THE COMPLETE ONLINE PORTAL FOR METACOGNITIVE LEARNING

The introduction of Physical Education as a certified subject in the Senior Cycle is a welcome and progressive step, enabling Learners to become informed, skilled, self-directed and reflective participants in physical education and physical activities, with immediate wellbeing and lifelong learning benefits.

At the genesis of this Course, there are however many challenges in the application of the prescribed curriculum during this first phase, with significant emphasis being placed on the Teacher's ability to introduce Content and Structures that facilitates the Learner's ability to complete the course's desired Learning Outcomes.

The GAA, in conjunction with the Ladies Gaelic Football Association and the Camogie Association, have therefore capitalised on their experience and resources in this field to develop LCPE.ie, an

Online Portal designed to facilitate a Metacognitive approach to successfully completing Leaving Certificate Physical Education.

The LCPE.ie Portal, which is completely free to all users, is based on a Metacognitive system of learning that better facilitates understanding and aligning of thought processes. It features an expanding range of Services and Content, adopting a familiar 'Social Media' type approach to the transfer and sharing of information, while also including some dedicated Content for the Physical Education course itself. It is also easy to use, and is specifically designed to protect the data of every User.

Most importantly, the LCPE.ie Portal, while still in a 'beta' stage of development, is now immediately available for you to use, and will continue to expand to meet the needs of Teachers and Learners in the delivery of this exciting course.

IN A CLASS OF ITS' OWN!

LCPE.ie is a dedicated Online Portal for delivering the Leaving Certificate Physical Education course. It is built on the combination of a bespoke Social Network, a Content Management System and an Online Resource Library, all of which combine to offer a suite of tools for Teachers and Learners alike.

As the system is now in 'Live Beta', you and your students can immediately enjoy a range of benefits as outlined below.
